| viii) What does Edgar A. Guest mean by the line 'Life is queer with its twists and turns?'                                                                                                                                                                                                                                                                  | 2024<br>PE, PM |
| 2. viii) Identify the poem and the poetic devices used in the following lines:<br>'Success is failure turned inside out,<br>The silver tint of cloud of doubt,<br>And you never can tell how close you are,<br>It may be near when it seems so far,<br>So stick to the fight when you're hardest hit,<br>It's when things seem worst that you must not quit | 2023           |
| <b>SOME IMPORTANT QUESTIONS FROM NEW BOOK</b>                                                                                                                                                                                                                                                                                                               |                |
| i. What is the poet's message in the first stanza?                                                                                                                                                                                                                                                                                                          |                |
| ii. Which line of the poem do you like the most and why?                                                                                                                                                                                                                                                                                                    |                |
| iii. Write the central idea of the poem?                                                                                                                                                                                                                                                                                                                    |                |
| iv. Find similes, metaphors and alliterations in the poem.                                                                                                                                                                                                                                                                                                  |                |
| v. Discuss how the poem helps the reader to be optimistic in every situation.                                                                                                                                                                                                                                                                               |                |
| vi. What effect does the poem create on the reader?                                                                                                                                                                                                                                                                                                         |                |
| vii. What is the message of the poem?                                                                                                                                                                                                                                                                                                                       |                |
| viii. Why does the poet term life 'queer with twists and turns'?                                                                                                                                                                                                                                                                                            |                |
| ix. What is the benefit of not quitting as suggested in the poem?                                                                                                                                                                                                                                                                                           |                |

**Poem 3: OZYMANDIAS****Section B****SOME IMPORTANT QUESTIONS FROM NEW BOOK**

|                                                                                     |              |

| <p>3. Read the following passage and answer the questions that follow:</p> <p>— OR — Make a precis of the following passage and suggest a suitable title to it</p> <p>The great advantage of early rising is the good start. It gives us in our day's work. The early riser has done a large amount of hard work before other men have got out of bed in the early in the early morning the mind is fresh and there are few sounds and distractions, so that work at that work at time is generally well done. In many cases the early riser also finds time to do some exercise in the morning air and this exercise supplies him with a fund of energy that will last until the evening. By beginning, so early he knows that he has plenty of time to do thoroughly all the work he can be expected to do. He gets his sleep several hours before midnights, at the same time when sleep is most refreshing and after a night's sound rest. He rises early next morning in good health and spirits for the labour of a new day.</p> <p>i) What are the advantages of early rising?</p> <p>ii) How can early rising affect our work?</p> | <b>2025<br/>PE, PM</b> |

—OR— Make a précis of the following passage and suggest a suitable title to it:

Understanding is not inherited, nor can it be laboriously acquired. It is something which, when circumstances are favorable to us, so to say, of its own accord. All of us are knower, all the time; it is only occasionally and in spite of ourselves that we directly understand the mystery of given reality. Consequently, we are very seldom tempted to equate understanding with knowledge of the exceptional men and women, who have understanding in every situation, most are intelligent enough to see that understanding is different from knowledge and that conceptual systems based upon past experience are as necessary to the conduct of life spontaneous insight into new experiences. For these reasons the mistakes of identifying understanding with knowledge is rarely perpetrated and therefore poses no serious problem.

- i) What is the main difference between understanding and knowledge according to the passage?  
 ii) What is understanding?  
 iii) Describe the relationship between understanding and past experience.

iv) Identify the word classes of the following:

\*consequently   \*knowledge   \*serious   \*perpetrate

Make a precis of the following and suggest a suitable title to it:

Mustafa Kamal set about reforming the people of Turkey. He began with an apparently simple matter of clothes. The traditional garments of the Turks had to give place to more modern coats and hats and if people objected they were forced to obey. The laws of the lands also seemed to be clumsy and unjust. He abolished them and put in their place the German commercial, the Italian penal and the Swiss civil code of laws. He would borrow from any and every nation, but only ideas. These had to be worked by the Turks themselves, Kamal, with the help of his sister organized women's societies soon these were two women judges in Ankara and four women on the Municipal council of Istanbul.

- i) What was the first reform of Kamal?
- ii) Why did he abolish the laws of his country?
- iii) From which country did he borrow the Laws?
- iv) Give the meaning of the following words:  
a) Clumsy b) abolished c) apparently d) traditional

3. Read the following passage and answer the question that follow:

2023

3.-- (OR)-- Make a precis of the passage and suggest a suitable title to it:

'One of the most popular sports in Sindh is Malakhro. This popular sport is played annually at the Urs of Lal Shahbaz Qalandar and other festivals. The renowned Malakhro players participate in this traditional event to showcase their strength to pull down their opponent players. The match begin with both wrestlers tying a twisted cloth around the opponent's waist cloth and tries to throw other opponent to the ground. Malakhro is one of the favorite sports among males in Sindh. Many of the players are professionals who earn their living by Participating in this sport. Almost everybody in Pakistan has heard of this popular and traditional sport even if he has not seen it'

- i) Which sport is played at the Urs of Lal Shahbaz Qalandar?
- ii) How do players of the game pull down their opponent?
- iii) How do this game provide earning means for the participants?

iv) Give the parts of speech of the following words:

\* strength      \* twisted      \* breakdown      \* Malakhro
